# HAMULIGHT

Cree LED recessed spotlight Burgos black in | warm white | 3 watt | dimmable

Product Images

Short Description

The Cree LED recessed spotlight Burgos black is a dimmable spotlight and shines a warm white light color (2700k). The power of the Burgos spot is 3 watts.

Description

This black version of the Burgos LED spotlight is finished to perfection and therefore matches every type of interior. Because this spot has an IP 65 rating, you can also place it in every room in your home.

With the Burgos spotlight, you can replace old halogen lamps of 25 watts. This shows once again how energy-efficient this Burgos spot is. You can earn back the purchase price within a year!

You have to connect the supplied LED transformer directly to the power cable (230 volts) in your ceiling. The other side of the transformer is equipped with a connection piece with which you can click the Burgos spotlight on the transformer.

To operate the Burgos recessed spotlights, there are several ways available. Below you will find all available options:

- Atlas LED rotary dimmer
- Novex LED push dimmer
- Moon remote control
- App (free access when purchasing a wifi LED receiver)

The hole saw (size 35 mm) is perfect for making holes in which this spotlight fits exactly. You can find these under the heading accessories and then hole saws.

Tip: When mounting this spot, disconnect the power to be sure.
